

THORN CREEK AUDUBON SMALL GRANTS APPLICATION FORM

Date _____

Thorn Creek Audubon donates financial assistance, not to exceed \$500.00 per program, to organizations or individuals involved in projects which promote activities for the protection and enhancement of wildlife and the environment. The project must focus on one or more of the following areas: environmental education, habitat restoration, and/or wildlife protection and management.

The Grants Committee is soliciting written applications from several environmental organizations and conservation projects. Deadline for applications: Feb. 13 and Oct. 1
