## Native Plant Sale May 18 & May 19

Stop by the annual Native Plant Sale at Homewood Izaak Walton Preserve to find great additions for your yard!

- **Saturday, May 18 ... 9:00 am - noon**
- **Sunday, May 19 ... 9:00 am until clean-up is finished**
- **Location: Homewood Izaak Walton Preserve [Map](#)**

**2024 Choices of Native Trees and Perennials:** The selection of trees, shrubs, perennials, and grasses offers assorted colors, textures, sun exposures and bloom times. Native plants thrive without pesticides or fertilizers and once established do not require watering. The very deep root systems help prevent erosion and flooding.

You can download the 2024 list of plants from our website > [Native Plant Sale](#).

This list includes key details about each plant: color, bloom season, height, and sun & soil requirements. Also on the page - a link for each plant to see photos and learn more details.

**Note:** Some plants may no longer be available at the plant sale. Arrive early for the best choices.

Co-sponsored by Thorn Creek Audubon and Homewood Izaak Walton Preserve.
